$10 Discount on the Public Safety Oral Interview Handbook

We're excited to offer all of our existing test customers an opportunity to purchase the Public Safety Oral Interview Handbook at a cost of $70 until the end of 2009.

This handbook is a valuable resource for anyone charged with conducted oral interviews during a hiring or promotional process for a large variety of public safety positions. It includes hundreds of real world examples of structured oral interview questions, along with scoring criteria currently being utilized by human resource departments and public safety agencies across the country.

To order, just reply to this e-mail with your request and we'll take care of the rest. As with all of our products, we can ship the handbook now and bill you for the cost later. You can also call us at (800) 381-8378 and mention you heard about the discount here!

Please note: Due to holiday scheduling, our offices will be closed on December 31st. We will do everything we can to honor this deal for any requests that come in while we are out of the office at the end of the year.

2010-2011 Test Products & Services Catalog Coming Soon to a Mailbox Near You!

Keep your eyes peeled for our new test products and services catalog, which will be going out into the trusty hands of the US Postal Service in early January. We'll be featuring some new products in this year's catalog, as well as new opportunities to assist in test development.

Most importantly, we’re going to be renaming all of our tests to adhere to a more consistent scheme. You've already seen a preview of this with the new entry-level firefighter test series we launched in 2009, the FF-EL 301-NC and FF-EL 302.

More information on the new test names will be forthcoming and you can rest assured that we'll do everything we can to help you transition to the new test names. And you can be certain that even with a new name on the cover, it's still the same great test inside!

Administratoin Fee To Increase In 2010

With shipping costs ever on the rise, we regret to announce that we will be raising the per test title, per order administration fee from $85 to $90 beginning January 4, 2010.

Note, however, that all test orders placed prior to that date, regardless of the actual ship date, will retain the current pricing.
